Summary

Gymnastics England is a wholly owned subsidiary of British Gymnastics and is responsible for delivering the Whole Sport Plan for Gymnastics in England 2009 – 2013.

The Whole Sport Plan 2009 – 2013 seeks to ensure a robust and seamless pathway for all those involved in gymnastics in England.

The Gymnastics England team includes Regional Development Officers working in each of the 10 regions in England and a number of County Officers to enable focussed support to our clubs and members in specific geographical areas. The South East boasts 93 clubs (46 with GymMark accreditation) and covers a range of disciplines including General Gymnastics, Men's Artistic, Women's Artistic, Acrobatic Gymnastics, Tumbling Trampoline, Pre-school Gymnastics, Cheerleading and Gymnastics and Movement for People with Disabilities.

The Role

- To lead on the development of gymnastics in Sussex
- Support the development of Clubs, Coaches and Volunteers
- Develop effective links with local partners to enable successful and sustainable development of gymnastics
- Establish more opportunities for people to participate and perform in gymnastics
- Raise the profile of Gymnastics at local implementation groups e.g. Local Authority Sports Development Forum, County Sports Partnership groups, School Sport Partnership groups.

The Person

Gymnastics England is looking for a dedicated individual to join its vibrant team of development officers. If you are motivated and passionate about developing sport, are an excellent communicator with effective interpersonal skills, this job could be for you.

BG is an equal opportunities employer. All appointments are made purely on the basis of merit and ability. BG is committed to an action plan to ensure this policy is fully effective.
